Dr Renaud

Deeply into skin science

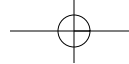

THE REVOLUTIONARY COSMETIC ALTERNATIVE TO ANTI-AGEING SURGICAL PROCEDURES

THE SKIN OF THE NECK IS VERY THIN AND POOR IN SEBACEOUS GLANDS. THE CUTANEOUS MUSCLES ARE LESS RESISTANT THAN THOSE OF THE FACE. IN ADDITION, THE EPIDERMIS IS IN CONSTANT MOTION AND THE RUBBING OF CLOTHES FURTHER IRRITATES IT, WHICH MAKES IT EVEN MORE SUSCEPTIBLE TO SAGGING AND DULLNESS. ALSO, EXTERNAL AGGRESSIONS AND HORMONAL CHANGES RELATED TO MENOPAUSE MAKE IT EVEN MORE FRAGILIZED.

THE DÉCOLLETÉ AREA IS OFTEN NEGLECTED IN OUR DAILY SKIN CARE ROUTINE. YET, IT IS FREQUENTLY EXPOSED TO THE SUN WITHOUT GETTING ANY PARTICULAR PROTECTION, THUS BETRAYING OUR AGE MORE QUICKLY. FINE LINES AND WRINKLES APPEAR EARLY AND BECOME PERMANENT...ALONG WITH A CREASED ASPECT AND IRREGULAR TEXTURE UNLESS WE GIVE THAT SPECIFIC AREA PROPER CARE.

ULTRA-
PERFORMING
FORMULATION

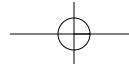

Inspired by the latest anti-ageing surgical technology,
Pure Neck & Décolleté
visibly reduces the effects of time.

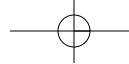

Its unique formulation combines a lifting effect with a firming and anti-wrinkle action for a global performance and exceptional results:

- 3D REMODELING of the neck like a “lifting” effect
- REDUCTION of the double chin
- SMOOTHING of the décolleté and improvement of the skin’s texture

Pure Neck & Décolleté is presented in an airless tube with pump of 50 ml/1.7 Fl. Oz. (retail size only) for precise dosage and optimal hygiene. Formulated without perfume, it may be combined with any other Laboratoire Dr Renaud night cream.

Pure Neck & Décolleté is **Perfume-Free & Paraben-Free.** It is adapted to all skin types, including sensitive skin.

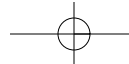

Conscious Science and Nature

At Laboratoire Dr Renaud, we strive to offer you the best of nature and science. The Pure Neck & Décolleté skin care is no exception to this rule. Again, we combined performance with natural ingredients so as to develop the greatest skin care ever. With 84% natural ingredients without any perfume or parabens, Pure Neck & Décolleté skin care is once more a token of our commitment to place research at the service of your skin, naturally.

Renowned for its capacity to offer innovative skin care and exemplary customer service, Laboratoire Dr Renaud has been a leader in cosmetology for more than sixty years. Manufacturing all its products in Québec for more than 40 years, Laboratoire Dr Renaud relies on research to stay in the forefront of the industry and to offer our clients the highest performing products. Over 12 000 aestheticians worldwide recommend them.
